# Intelligent Document Management Road Show

## Experience the Future of Document Workflow

Join us for the **Kodak Alaris Intelligent Document Management Roadshow**, where innovation meets efficiency!

Discover how our latest AI-driven document workflows, powered by the all-new **Kodak S5000** series scanners, the versatile **Kodak S3100**, and our trusted on-boarding workhorse, the **Kodak S2070**, are transforming the way organizations handle information.

Register today for live demonstrations of our cutting-edge workflows that include **Info Input** and **Capture Pro** software, designed to make the Kodak document workflow seamless, powerful, and simply the best in the industry. Our roadshow kicks off in Washington, D.C., heads to sunny Tampa, continues to Dallas, and wraps up in vibrant Portland, Oregon.

Don't miss this opportunity to experience efficiency like never before, see the latest technology in action, and learn how your organization can benefit from the next generation of intelligent document management. We look forward to welcoming you at one of our exciting stops!
